

FAQ: APPLYING TO LANGARA COLLEGE ON EPBC

New applicants

Q1: How do I apply online to Langara College?

To apply, please go to: <https://langara.ca/admissions/apply-to-langara/index.html> and click on the **Apply Now** button or go directly to our Education Planner BC (EPBC) application portal at: <https://apply.educationplannerbc.ca/langara>.

Q2: How many applications and how many programs per term can I apply to on EPBC?

Each applicant will be limited to two programs per application and one application per term. Students will be offered admission to all of the programs they apply to and qualify for.

Q3: What if I want to apply to more than two programs?

Domestic Students are advised to contact an Admissions Advisor via admissions@langara.ca and after review, a supplemental application form may be provided to the student to allow for program application/assessment into a third choice at no charge.

International Students are advised to contact International Education via international@langara.ca and after review, a supplemental application form may be provided to the student to allow for program application/assessment into a third choice at no charge.

Q4: What happens if I apply to two **Limited Enrolment** Programs and do not get an admissions offer to either one?

Domestic students who are submitting applications for two **Limited Enrolment** (LE) programs will be automatically assessed by Admissions for entry into an **Open Enrolment (OE)** program in case they are unable to secure an offer for their first or second choice LE program. Students in this scenario will be contacted directly by Admissions with further information.

International students: applications for International students are assessed individually, and we advise students who wish to be considered for admission into an open enrolment program to contact international@langara.ca. After review, a supplemental application form may be provided to the student to allow for program application/assessment into a third choice at no charge.
